Scanning & Photo Editing

We can scan any image up to A3 in size including slides, negatives, photos and original art work. Depending on the original images can be repaired and/or enhanced for printing at various sizes.

Larger artwork can be scanned in sections and joined together to make a final image—you won't see the join. Or if it is too large to scan then it can be photographed in situ.

We reserve the right to charge for any time required for document editing, reformatting, photo editing, resizing, scanning etc. This charge will be at the rate of £5 plus VAT per 10 minutes or part thereof. This charge will be agreed in advance of any work commencing.

Finishing Services

We also provide a full range of finishing services:

- Lamination/Encapsulation— Hot Lamination up to A2
- Lamination & Mounting—Cold Lamination up to 24" wide
 - * Matt Vinyl Lamination
 - * Permanent Mounting Film
 - * Removable Mounting Film
 - * Foam Board
- Wire Binding—Booklets & Calendars
- Creasing & Folding
 - * Half & Double Fold
 - * C & Z Fold
- Cutting & Trimming
